

GERMANS FAIL IN GREAT COUNTER DRIVE AGAINST THE FRENCH

They were joined by a flotilla of British destroyers at a point a hundred miles off the Irish coast. There was a contact on board, at which Pershing made an address.

Pershing and his staff worked hard all the way across preparing plans for their work in France.

Several floors of rooms in a hotel had been reserved for the American army and the hotel this morning was completely transformed by the placing of numerous signboards, the installation of bureaus of information, and, designed to make the most efficient possible use of the place as temporary American army headquarters.

Leading Americans in London appeared on the scene early to-day with credentials as members of various committees.

Gen. Pershing and the twelve officers of his senior staff are to be guests of the British Government at the Savoy. The remainder of the contingent will be looked after by American societies in London.

Pershing's Party Includes 195 Officers, Enlisted Men and Others.

WASHINGTON, June 8.—Major Gen. Pershing has with him 195 officers, enlisted men and other attaches. The party sailed more than a week ago without any publicity being given to their departure, despite the fact it was known to some American newspapers. Here again, as was the case with the French and British missions, the newspapers loyally cooperated with the Government in a voluntary censorship to safeguard the passage of the American officers.

In official quarters, the departure was so well surrounded with secrecy that within the last few days many Government officials had been asking when Gen. Pershing would sail.

COUNTER DRIVE AGAINST FRENCH IS QUICKLY HALTED

Germans Vainly Attempt to Advance Below St. Quentin After Bombardment.

PARIS, June 8.—Germany has apparently started a counter offensive along a great section of the French front.

To-day's official report detailed a violent enemy bombardment around St. Quentin and La Fere, preliminary to an attack which the French halted at its inception. Violent artillery fire was also centered on French positions north of Moulin Laffaux and south of Fila, as well as in the Cerny sector. All attacks failed.

Following is the text of to-day's War Office report:

"Southeast of St. Quentin a violent enemy bombardment on the line from St. Quentin to La Fere was countered by our own artillery, which stopped a prepared attack.

"The night was most agitated on the entire front. North of Moulin Laffaux, south of Fila and in the Cerny sector the artillery fire was of the most violent character. Enemy attacks at various points failed under our fire.

"We penetrated the enemy's lines toward Souain Hill, in the region east of Belfort and took prisoners."

THREE GERMAN PLANES SHOT DOWN BY BRITISH

Admiralty Reports More Air Raids Over Belgium in Vicinity of Dixmude.

LONDON, June 8.—The British are continuing vigorously their aerial operations over Belgium, and have put three German airplanes out of action near Dixmude. The following announcement is made by the Admiralty:

"On Wednesday evening naval airplanes attacked two enemy machines three miles northeast of Dixmude. Both enemy machines went down completely out of control. Another naval pilot attacked and shot down out of control an enemy aircraft five miles northeast of Dixmude."

THREE BIG FRENCH SHIPS SUNK BY SUBMARINES

Two Others, Less than 1,600 Tons, Destroyed During Week of June 3.

PARIS, June 8.—Three French ships of more than 1,600 tons and two less than that size were sunk by mines or submarines during the week ending June 3.

Three vessels were unsuccessfully attacked during the same period, while 1,005 ships entered French ports and 958 sailed.

BULK OF AUSTRIA'S ARMY IS NOW FACING ITALIANS

Troops Withdrawn From Russian Front in Formidable Concentration of Forces.

UDINE, Italy, June 8 (via Paris).—A semi-official announcement says that Austria has made a formidable concentration of forces on the Italian front by the withdrawal of troops from the Russian front. The statement says that the Italians are now confronted by an estimated two-thirds of the entire Austrian army.

MORE U. S. DESTROYERS ON FRENCH COAST SOON

Announcement Made That They Are to Co-operate With Allies in the Channel.

PARIS, June 8.—An additional American flotilla of destroyers and patrol boats, to co-operate with French forces in the English Channel and the Atlantic, is expected shortly, according to the Matin.

The paper says that naval bases have been prepared to accommodate the American ships.
